

S360-BW-GW35

The SentryMobile S360-BW-GW25 is a mobile body worn camera designed for full chain-of-command mobile evidence collection. The S360-BW-GW35 is an elite and cost-effective mobile body-worn camera for a variety of applications including law enforcement, service technicians, firefighters, EMTs/paramedics, vehicle surveillance and covert surveillance operations. The SentryMobile camera is designed to be easy to use, operate and manage critical surveillance evidence in demanding environments with its rugged design and low-light sensitivity.
